

# PRAYER REQUESTS

## CHURCH FAMILY

Gwen Knutson - Gwen has been diagnosed with chronic heart failure and is going through a program to help strengthen her heart. Her speech is improving but progress is slow. Please pray for peace over her and Glenn as they juggle appointments and therapy for both of their health, that they would sense Jesus' nearness in their lives.

Mary Newberger (Mother of Angie Tighe) - Continues to receive home hospice care for COPD. Her husband Michael is her caregiver. Mary's condition is stable and she is comfortable. Please pray for continued comfort and for peace and joy over Mary and her family.

Olee McDonald (Friend of Ward & Deb Muscatell) - Suffered multiple heart attacks and a stroke. Is dealing with paralysis on half of his body following the stroke. Currently at home resting. Please pray healing over his body, that Olee and his wife Paula would turn to Jesus for healing and comfort through this situation.

Maddy (Friend of Kayla McCreery) - Please pray for protection and strength over Maddy as she deals with some hardships in her life, that she would feel Jesus' love and comfort and turn to Him in this time for reassurance and rest.

Graduating Seniors - Please pray for the Seniors in our congregation, that as they enter a new environment, whether it be a career, college, or wherever God may be leading them, that they would rely on their faith. That when they are faced with decisions they would turn to Jesus for assurance and leadership, and shine His light brightly.

## OUR WORLD

The Rekedal Family - Praise God for the safe birth of their little girl! Please pray that recovery for both Nola and Candi would continue to go well. That as they take this time to bond, they would be recharged by Jesus and be prepared to share His light with others. For more info, visit: <https://rekedal-family.epistle.org/subscribe>

Maya Kruger - Serving in the Middle East with CRU. Pray that she would be a light in this area and spread the Gospel far and wide. If you would like to support her, please visit [give.cru.org/1242818](http://give.cru.org/1242818)
