

PRAYER REQUESTS

CHURCH FAMILY

Alyssa (Daughter of Carol Erickson) - Dealing with severe pain due to PCOS and can't get in to have it evaluated until November. Please pray healing over her, and that a sooner appointment would open up.

Faith (Friend of Kim Gilbertson's aunt Sharon) - Please pray that her doctors would be able to find an effective treatment for the infection that she continues to fight and that her family would be able to transfer her from Arizona up to Fargo to be closer to them. Also pray that her and her family would be encouraged through Christ, knowing that He has her in his hands.

Kim (Mother of Briana Leigh) - Has been diagnosed with a grade 4 Glioblastoma in her brain and has begun hospice care. She has been struggling with weakness, communication and other routine bodily functions. Please pray for her and her family, that they would receive encouragement, rest and comfort from Jesus.

Eden Norton - Fell off the monkey bars and broke both bones in her right forearm. Please be praying for her healing as she adjusts to having a cast. Also for her frustration as she struggles with not being able to do all of her normal activities.

Hadley VanRaden - Went to the Mayo Clinic to receive a second opinion on her Chiari malformation. Praise God there were no new issues discovered. Please pray for continued clarity and wisdom for the medical team, and complete and miraculous healing for Hadley's body and mind.

SERMON NOTES

"Truly God is good to Israel,
to those who are pure in heart.

But as for me,
my feet had almost stumbled,
my steps had nearly slipped.
For I was envious of the arrogant
when I saw the prosperity of the wicked."
(Psalm 73:1-3)
